

Saucon Valley Community Center
2nd Annual
Phyllis Schnaible-George Klotz Memorial Children's
Fishing Tournament

Dear Friend of the Saucon Valley Community Center:

On Saturday, May 17th, the Saucon Valley Community Center is having its 2nd Annual Phyllis Schnaible-George Klotz Memorial Children's Fishing Tournament at the Grist Mill in Hellertown. This contest is held for area children ages 4-14.

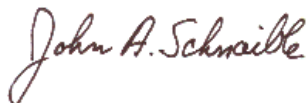

What makes this different from any other fishing tournament is the sponsorship component. We ask for and receive donations from individuals and corporations such as you so that we may sponsor children who simply could not otherwise afford to participate. Children with debilitating diseases, chronic and fatal illnesses, and those who are mentally challenged are also invited. The staff at the Center contacts local agencies that service these children to assist in selecting those to invite. During the day, they are allowed to fish and eat without charge. Furthermore, we require a parent, guardian, or professional to be with them at all times to ensure their safety.

Each year the cost for this event has increased, and each year we try to solicit more financial support from the public and corporate communities. There is no one single sponsor for this event. This year the event including fish stocking, food, and prizes will cost \$4,800.00. All Center staff are not paid for their help that day. They willingly volunteer. So you can see our plight is not one of administrative expense, but real cost.

It has been said that life's greatest gift may be the giving of joy to others. We hope you or your corporation can be listed as one of the sponsors of this event. The average gift has been between \$100 and \$200 although any amount is greatly appreciated.

Thank you for your time and consideration.

Yours truly,

John A. Schnaible
