

Saucon Valley Community Center 11th Annual Golf Tournament & Dinner

Dear Friend of the Saucon Valley Community Center:

For 36 years the Saucon Valley Community Center, a non-profit corporation, has serviced the needs of its community. Our programs deal mostly with at-risk children—those children who through no fault of their own are in danger of becoming a by-product of a society in which parenting is difficult, and peer pressure almost unbearable. The center serves as a place where all children can come to play, to talk, to learn, and to be the best that they can be.

Each year, our operating costs continue to increase but there is a limit of what we can charge for our services. We receive foundation grants, contributions, special events revenues, and fundraising dollars. Fundraising, as a source of income, has become the only viable alternative to the decreases from all other funding sources.

To meet the challenge, we need successful special events, such as our annual golf tournament. This year, we will be at Southmoore Golf Course on Monday June 16th. To offset the expenses for this event, we need your help. You can do this by sponsoring one of the eighteen holes. The cost is \$200 per hole for individual sponsorship or \$100 for joint sponsorship. You may sponsor more than one hole if you like. For your convenience, a sponsorship form has been enclosed along with a foursome form, in case you might like to join us for a day of fun and relaxation.

All proceeds from this event will benefit the Saucon Valley Community Center

Your support is needed more than ever. Our appreciation goes without saying.

Yours truly,

Anthony Casciano
